

Vinyl Exam Gloves

Powder-Free, Translucent

Vinyl Exam Gloves provides a soft, latex-free and powder-free solution for your disposable glove needs. Most commonly used in medical, dental, and laboratory settings, as well as for general hygiene purposes. Vinyl gloves provide a barrier of protection against contaminants and are an excellent alternative for individuals with latex allergies or sensitivities. These gloves are comfortable to wear, offer good dexterity, and are suitable for tasks that require a reliable and hygienic glove option.

Indications:

Protect your hands in any situation:

- Medical Examination
- Laboratory Work
- Cleaning
- Food Handling
- Animal Handling
