

Petroleum Jelly

Procure Petroleum Jelly is well-known for its excellent moisturizing and protective properties. By locking in moisture and preventing water loss, Petroleum Jelly acts as a moisture barrier and protectant providing relief for minor cuts, scrapes, burns and chapped or cracked skin. Used as a soothing ointment base for many topical therapeutic agents. Helps protect from the drying effects of wind and cold weather.

Benefits:

- Skin Protectant
- Seals out wetness to treat and prevent diaper rash.
- Forms a protective barrier on the skin's surface to prevent moisture loss.
- Ideal for healing dry, damaged, or cracked skin.
- Soothes and protects minor cuts, burns, and irritations.
- Moisturizes face, hands, and more.
- Provides excellent moisturization for dry and chapped skin and lips.
