

Fluff Bandage Roll

Procure Fluff Bandage Rolls are designed to be used as a primary or secondary dressing. The airy and extra fluff provides conformability for securing dressings in place, and cushioning of the wound. Ideal for bandaging heads, limbs and difficult-to-dress wounds.

Features & Benefits:

- Crinkle-weave pattern increases bulk to cushion and protect wounds
- Bulk & Airy cushioning provides conformability to improve wound site protection
- Available in sterile and non-sterile options
- Not made with natural rubber latex (Latex-Free)
