

Rinse-free BATHING WIPES & SHAMPOO CAPS

ProCure Rinse-free Bathing Wipes & Shampoo Caps are high-quality, disposable, and formulated to be pH balanced and hypoallergenic. They are gentle on sensitive scalps and suitable for individuals with skin sensitivities.

These pre-moistened extra thick wipes are enriched with Aloe and Vitamin E, providing a gentle and soothing cleanse while helping to nourish and hydrate the skin. A convenient solution for maintaining hygiene when traditional bathing isn't an option.

Rinse-free shampoo caps are an easy and effective way to clean and care for hair without the need for water. These pre-moistened caps are infused with both shampoo and conditioner, offering a complete hair care solution in one simple step. Ideal for those with limited mobility, in healthcare settings, or during travel, these caps provide a quick, convenient, and soothing way to keep hair fresh, clean, and manageable.
