Instant Hand
Sanitizer

70% Ethyl Alcohol Instant Hand Sanitizer with Vitamin E + Aloe

ProCure Instant Hand Sanitizer is a fast-acting, 70% ethyl alcohol-based clear gel formula that eliminates 99.99% of common germs without the need for water or rinsing. Enriched with Vitamin E and Aloe Vera, it helps keep hands soft and moisturized, even with frequent use. Its quick-drying formula leaves no sticky or tacky residue, making it ideal for use anytime, anywhere.

Features & Benefits:

- Kills 99.99% of most common germs that may cause illness
- No water or rinsing required — use anytime, anywhere
- Enriched with Aloe Vera & Vitamin E to keep hands soft and moisturized
- Quick-drying with no sticky or tacky residue
- Ideal for medical facilities, nursing homes, and care environments
