

HydroCerin

Moisturizing Cream

ProCure HydroCerin Moisturizing Cream delivers deep hydration and soothing relief for dry, cracked, or flaky skin. Formulated with petrolatum, it locks in moisture to help restore the skin's natural barrier and provides temporary protection from dryness, irritation, and environmental stressors such as wind and cold weather.

This gentle, fragrance-free formula is safe for daily use on sensitive skin and ideal for areas like hands, face, elbows, and knees.

Features & Benefits:

- Provides temporary protection for minor cuts, scrapes, and burns
- Helps relieve and hydrate dry, rough, or chapped skin
- Shields skin from the drying effects of wind and cold weather
- Locks in moisture with a gentle, fragrance-free formula suitable for sensitive skin
