

HydroShield

Moisturizing Ointment

ProCure HydroShield Moisturizing Ointment provides soothing relief and long-lasting hydration for dry, rough, or cracked skin and lips. Formulated with petrolatum, it locks in moisture to temporarily protect skin from dryness, irritation, and environmental stressors such as wind and cold weather. It also helps protect minor cuts, scrapes, and burns. Fragrance-free and gentle, it's ideal for daily use on sensitive or compromised skin.

Features & Benefits:

- Relieves and hydrates chaffed, chapped, or cracked skin and lips
- Seals in moisture and protects against harsh elements
- Provides temporary protection for minor cuts and burns
- Fragrance-free and gentle for sensitive skin
