CalmaPlex Paste

with Menthol, White Petrolatum & Zinc Oxide

ProCure Signature CalmaPlex Anorectal Paste provides soothing relief and external protection for irritated, inflamed perianal skin. Formulated with Menthol, to provide itching and pain relief, White Petrolatum to protect, and Zinc Oxide to form a barrier. Together, these ingredients help CalmaPlex temporarily relieve burning, itching, and discomfort while preventing further irritation. The rich paste coats the affected area to ease pain during bowel movements and support natural recovery.

CalmaPlex Paste is
part of ProCure's
Signature
Skin Care Line.

**Soothing,
Cooling
Sensation**

**Skin
Protectant**
