

Skin Prep Wipes

Protective Dressing Applicator

ProCure Skin Prep Wipes are designed to create a protective barrier between the skin and adhesive products, helping to reduce irritation and improve tape adhesion. Ideal for use under medical tapes, dressings, or appliances, these wipes enhance bonding while protecting the skin from friction and moisture. Easy to apply and quick-drying, they provide a reliable layer of protection for sensitive or frequently taped areas.

Features & Benefits:

- Protective dressing applicator
- Creates protective barrier between tape and skin
- Helps tape adhesion and reduces irritation
- Easy to apply
- Fast drying
