

RESTORE *Liquid Protein Supplement*

ProCure Restore is a premium, ready-to-use liquid protein supplement featuring hydrolyzed collagen and whey protein for highly absorbable nutritional support. Each 1 fl. oz. serving delivers 15 grams of high-quality protein in a smooth, concentrated formulation with added Vitamin C.

With a smooth, nectar-like texture and a naturally honey-colored appearance, this dye-free supplement delivers powerful nutritional support in a delicious cherry vanilla flavor. This formulation is derived from a hydrolyzed collagen and whey protein blend. Whey is derived from milk; however, the whey used in this product does not contain lactose, making it suitable for individuals who are lactose intolerant.

ProCure Restore is suitable for both oral intake and enteral administration when directed by a healthcare professional.
