

### Rinse-Free Wound Cleanser

**ProCure Wound Cleanser** is a rinse-free spray designed to gently and effectively cleanse scrapes, abrasions, and minor cuts with minimal force. Its balanced pH formula helps support the skin's natural healing environment while providing fast, thorough removal of dirt and contaminants—without the need for additional rinsing. Easy to use with a convenient stream or spray nozzle, it offers a non-toxic, irritation-conscious solution for everyday wound care at home or on the go.

**Easy Spray  
Application**

**Gentle &  
Painless**
